Dear Faith Michaels and Kids Clothes Club,

Thank you so much for your help in providing winter coats to all of our Achievers and their siblings. They were very excited to receive their beautiful, new, warm winter coats. Your efforts have helped us provide these amazing children with warmth.

Your assistance comes at a key time for these children, many of whom may not have had a warm winter coat otherwise. Thank you for helping us support all the children involved in *Friends of the Children-Boston*.

We look forward to working with you in the future. With your help we will be able to fundamentally change the lives of many of Boston's children living in at-risk communities.

Best regards,

Imari K. Paris Jeffries
Executive Director

THANK YOU FOR YOUR
SUPPORT AND GENEROSITY
Happy Holidays!
