**To Everyone at the Kids Clothes Club,**

**The coats for Portis Family House and for Revision House were fabulous! What a blessing to have a brand new coat in a great color and in the current style for each of our children. The children were excited and the parents were truly thankful that their little ones will be wearing spotless warm coats in just the right size this winter. We are so grateful for the work that you do so well for the Homeless Children of Boston.**

**Sincerely,**
