To the Kids Clothes Club,

On behalf of the children we serve at the Association of Haitian Women (AFAB), I would like to thank you for your generous donation of coats this winter season. Many of the families we serve are facing challenging times financially. Having to choose between getting warm this winter and putting food on the table most of them will choose the latter. Because of your commitment to the welfare of the children in Massachusetts many of them will stay warm during this cold New England winter season.

This is the first year we receive coats from Kids clothes Club, we hope this is not going to be the last.

Once again, we thank you for your hard work and your generosity.

Sincerely,

Carmelle Bonhomère
Domestic Violence Program Director
