Dear Ms. Michaels,

On behalf of Children's Hospital Primary Care Center (CHPCC), I want to thank you for the donation of coats that you have made to our families. CHPCC serves primarily urban families many of whom live in poverty or on the edge of financial despair. The coats that you gave to us really help our families.

The Kids Clothes Club is a pleasure to work with because you are all friendly, cheerful and well organized. You are a great resource and we are lucky to benefit from your good work.

Thank you for your dedication and responsiveness. We are very grateful.

Sincerely,
