Dear Ms. KC Halpern,

This year we have the opportunity to participate in your generous program and we are happy to have been able to do so. Your coat donation helped many of the children enrolled in our center and I want to take this opportunity to thank you on behalf of the program and the children for the beautiful and warm coats.

The children were so happy to get a new and warm coat, among these children were a child whose mom is struggling to provide for her son and she was so happy when we gave her little boy the coat, she said thanks and that now he was going to have a warm coat for the winter. We picked a little girl to give her a coat and when we got them, I had her try it on to see if it fit and it did, so I saved it for her and I told her to come by the office to get her new coat before she leave in the bus. When she came in I noticed that she did not have a coat, she had come to school with a long sleeve sweater in a cold day. I felt so happy to be able to give her a warm and beautiful coat on the day she needed it the most; ever since she comes to school with it on.

I am very happy to be able to help many of these children, some of them walk to our program with their parents, others take the bus, but now they have a warm coat to wear throughout these winter months, and I want to thank you and The Kids Clothes Club for the wonderful donation.

Sincerely,

Lucia Londono
