Dear Ms. Michaels:

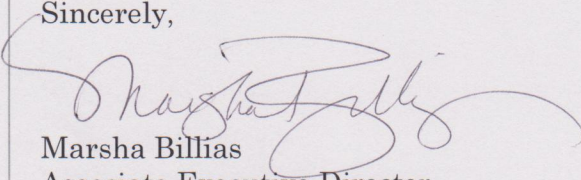

On behalf of the girls and staff at Girls Incorporated of Lynn, I thank you very much for the holiday donation of one hundred, fifteen-dollar gift cards to Girls Incorporated of Lynn this past holiday season for our members.

The girls were delighted to have the opportunity to purchase a new pair of boots for the winter and parents were very, very grateful! As you know, the majority of our girls are from low-income families; 83% have family incomes under \$25,000. The generosity and kindness of Kids Clothes Club is a true testament to the holiday spirit.

At Girls Incorporated of Lynn, we are very proud of our programs that are designed to help change, empower and improve the lives of disadvantaged girls. When girls step over the threshold at Girls Inc. they step away from preconceived notions and into a realm of new possibilities. As one member remarked, "*Girls Inc. has helped me by giving me the confidence to try new things, and to stand up for what I believe; it is like a second home to me.*"

Thank you again for your terrific support of girls and Girls Incorporated of Lynn. Best wishes for a great 2011!

Sincerely,

  
Marsha Billias  
Associate Executive Director

*Thank you so much Faith!*
